Ward Boundary Review - In-Person Engagement Session in Wilton

Date and Time: Monday, February 24 3:00 pm - 5:00 pm

Address: 251 Simmons Rd., Wilton, ON

The second phase of the Ward Boundary Review has begun and we want your input. The purpose of the ward boundary review is to review the existing electoral arrangements to develop an effective and equitable system of representation. Residents are invited to review and share their feedback on seven options for designing the Township's ward boundaries. These scenarios were developed by external consultants based on a combination of public input and a series of guiding principles. We'll be hosting an informal drop-in session, where residents can review the examples that have been developed and discuss them with the consultants leading this project, along with Township staff.
